## MAKE SECURE & EASY PAYMENTS THROUGH KENECT

Sign-up for our texting platform to get updates on your parts orders, progress on service work, receive invoices, and make secure payments!

Paying through this platform is easy, safe, and secure. When you order parts or a service work order is completed, we can text you a link to request payment. After clicking the link, you will be prompted to enter your name and credit card information. The payment will then be sent to us securely and it will automatically send you a receipt. We will also be able to keep you in the loop on any deals we are having!

To schedule service or request parts, text your nearest store and include your first and last name!
