

Our Lobby is Open!

Thank you all for your patience and cooperation as our lobby was closed the past few weeks in an effort to slow the spread of COVID-19. **Our lobby is now open.** We ask that you abide by the social distancing guidelines and keep a distance of 6 feet between you and anyone else. If you are at high risk or uncomfortable coming in, we can still bring your parts out to you. Please call our store and inform the receptionist that you are outside and need someone to assist you.

Traverse City parts will be dropped off by 12:00pm on Wednesdays & Fridays

If you would like more information on utilizing the parts drop off locations, please call us. See our map for a complete list of all of our drop off locations.

NMC TRIP Procedure Update

Because we are no longer printing invoices we are updating the way that we will process your NMC TRIP. To receive 2% TRIP on your parts purchase:

1. Drop off or mail in your TRIP slip with your payment to the Accounting office (not the parts counter)
2. Include your name and TRIP # on the slip
3. The accounting staff will calculate your credit and will submit your pink slip to the school each month when we submit our copy.

Please note: 2% TRIP will only be applied to parts purchases on the current invoices that you are paying for. We will only go back 60 days. If your account is beyond 60 days past due, it will not be eligible for TRIP.
