

We Are Still Open!

With the governor’s stay at home executive order still in effect, our lobby doors will remain locked, but we are still open. We truly appreciate your patience and cooperation as we try to slow the spread of COVID-19, and please be assured we are doing our best to keep your operation up and running.

As mentioned above, our lobby is closed and restricted to employees only until the stay at home order is lifted. We are fully staffed and ready to meet all your parts, sales and service needs through the busy spring season.

Parts—If you are in need of parts, please call ahead to order. An associate will get your parts ready for you while you are on the way, and will bring them right out to your vehicle. We also have several parts drop off locations that we can utilize. If you did not call ahead and are waiting for us outside, please let us know that you are outside when you call.

Service—If you are in need of service, do not hesitate to call our service department. Our associates will assess your situation and will come up with a plan of action with you to reduce the amount of contact required, therefore, reducing the potential to spread the virus.

Sales— If you are in need of a salesmen you may still contact them. You are always welcome to check out the equipment outside on our lots, and if you’d like to discuss one in further detail with an associate, a salesmen will come outside to assist you.

Extended Parts Hours

Effective May 1st our parts department will be open:

Mon-Fri 7am—5pm

Saturday 7:30am-12pm

We’ve Gone Paperless!

As we announced last month, our billing system has gone paperless.

- Statements will still be mailed at the end of the month
- Invoices will be emailed to you the day of the transaction.
- Invoices are available at the time of transaction

If you would like the ability to login and view all of your invoices (as far back as 2014) at any time, please call 231-825-2416 or email info@ellensequipment.com to set this up.

FREE KNIFE!

Get a FREE knife when you purchase a box of discbine blades!

Offer ends May 31, 2020

2021 Photo Calendar Contest

It’s never too early to be taking or submitting photos for the 2021 Calendar Contest. If you have one that you would like to submit, email it to info@ellensequipment.com

Facebook & Instagram

Have you like us on Facebook or followed us on Instagram yet? If not, please do! To lighten the mood during this stressful time, we just completed a virtual spirit week and had a lot of fun and great entries from our participants. Head over to our Facebook page and check it out!
